THE SPIRITUAL CONNECT OF SPORTS: ***Sports ensure you are physically fit. Physical activity stimulates endorphins, the released hormones, increasing your well-being. It is no wonder that even chess champion Carlsen's daily routine involves physical exercise, including playing tennis, basketball, or soccer for an hour or two.***

But sports are much more than just the physical aspect. It is a great teacher. If it is an individual event like athletics or archery, you compete against others and yourself. It teaches you to motivate yourself without the support of other players. It teaches you to focus. If it is a team sport, it teaches you respect for your mates and coordination. Team sports, it is said, bolster the five Cs — competence, confidence, connections, character and caring. Team sports teach you that there is something greater than us.

Sports, most importantly, teaches you humility. In the ongoing Euro football, the brilliant but vain CR 7 missed a penalty and was reduced to tears; in Wimbledon, the winner of last year's lady's singles, Marketa Vondrousova, lost this year in the very first round.

And then we have the spirit of cricket: respect your teammates and opponents, play hard and fair, accept the umpire's decision, create a positive atmosphere by your conduct, show self-discipline, congratulate your opponents and the officials and the opposition. This is part of the ethos of the game.

Everybody understands when told 'this is not cricket' that you have not been playing fair. These are dictums that apply as much to life.

Playing hard and fair involves training and practice, knowing that irrespective of the results of a match, it must be played within the rules. Self-discipline involves restraint, perseverance, and having goals. It teaches you to take the blow of defeat on your chin and motivate yourself to do better the next time. It makes you enjoy the better performance of your opponent and man enough to congratulate them. Each of these are virtues that will make you a better person and help you face the vicissitudes of life bravely. Mike Brearley, arguably the most astute captain the game has seen, says it best:

'Examining the topic of the 'spirit of cricket' is one route into wider questions about honesty, transparency and generosity; about deviousness, trickiness and cheating.'

HEALTH CAPSULE

Myth: You shouldn't breastfeed if you're sick.
Fact: Depending on the kind of illness, mothers can usually continue breastfeeding when they're sick. You need to make sure you get the right treatment, and to rest, eat and drink well. In many cases, the antibodies your body makes to treat your disease or illness will pass on to your baby, building their own defenses.

Streamlining buses on Ring Road and some suggestions

Sir,

Glad to read the news ***'KSRTC buses on Ring Road'*** in *Star of Mysore* dated Aug. 4. Finally, the KSRTC authorities are planning to run city buses on our Ring Road to connect one half end to the other half end of our city. However, there is no bus connection announced from:

1. Manandavadi-Ring Road Junction to Bandipalya APMC Ring Road Junction.

2. Manipal Hospital to Narayana Hrudayalaya (many bus passengers from Mandya and K.R. Pet may wish to go up to T. Narasipur; even APMC may benefit if they extend the other half end up to Manipal Hospital).

Suggestions to KSRTC to reduce traffic load at existing bus stand

1. The authorities may plan to run a few Bengaluru non-stop and express buses from Naidunagar and Sathagalli Bus Stands. En route, a few buses bound for Bengaluru coming from Nanjangud/ K.R. Nagar/ Hunsur side can reach Naidunagar Bus Stand and a few to Sathagalli Bus Stand and proceed to Bengaluru on Ring Road. Such buses may turn to Mahadeshwara Road after Hardinge Circle to reach Naidunagar/ Sathagalli Bus Stands. Residents of that area will use this facility happily.

2. KSRTC authorities may plan to run buses to Bengaluru/ Hassan/ Madikeri side from J.P. Nagar, covering Vivekanandanagar, Ramakrishnanagar Circle, Vijaya Bank Circle, Sharadadevinagar, Nivedithanagar and then Ring Road junctions of R.R. Nagar, Bogadi, Vijayanagar 3rd/ 4th Stages & Hinkal Flyover.

Bengaluru buses may even cover Bharat Cancer Hospital and KRS Road Junction before reaching Manipal Hospital Junction. This may gradually reduce the existing traffic at the current Suburban Bus Stand.

People residing in the heart of the city, tourists and those wishing to travel to other places or States will happily and conveniently use the existing facility.

Hiroshima-Nagasaki Day: Key talk on nuclear risks, benefits

Mysuru, Aug. 11 (BCT)- The historic atomic bombings of Hiroshima and Nagasaki in 1945, which marked the dawn of the 'Nuclear Age,' were commemorated through events organised by the Indian Heritage Cities Network Foundation (IHCNF).

On Aug. 6, the 79th anniversary of the Hiroshima bombing, a panel discussion titled "The Potential and Dangers of Nuclear Technology" was held at the Wadiyar Centre for Architecture.

Dr. N. Ramamoorthy, a former Bhabha Atomic Research Centre (BARC) scientist, highlighted the beneficial uses of nuclear energy beyond military applications, such as in medical treatments and power generation. He emphasised that leveraging these applications could greatly enhance our daily lives, as they have already improved medical treatments.

A section of the audience and school children during the Hiroshima-Nagasaki Day events observed in city recently.

Conversely, Major General (retd.) S.G. Vombatkere addressed the inherent risks associated with nuclear technology, even in power generation. He criticised the safeguards as inadequate and argued that the radiation safety limits for nuclear plant workers and the public were arbitrary and lacked empirical support.

Moderator Ravi Joshi, Retired Joint Secretary in the Government of India Cabinet Secretariat, noted that India gained significant international respect as a nuclear power, reflecting the prestige associated with nuclear technology.

Dr. D.R. Mohan Raj, a former journalism educator, introduced the discussion with two short documentaries that depicted the devastating impact of the Hiroshima bombing and explored the even greater destructive potential of atomic bombs.

Rajen Varada, Vice-Chairman of the IHCNF, welcomed attendees, and R. Vishwanath delivered a vote of thanks. The documentary "The Buddha Weeps in Jadugoda," which examines the effects of uranium mining in Jadugoda, Jharkhand, was also screened.

On Aug. 9, Nagasaki Day was observed with screenings of the BBC documentary 'Hiroshima' and the Japanese animated war drama 'Barefoot Gen' at Heritage House in Saraswathipuram.

A diverse audience

The events attracted a diverse audience, including students from Bharatiya Vidya Bhavan School and Seshadripuram College, who actively participated in the discussions. Their feedback included: "Visuals have much more impact than words. The documentaries helped us understand the true extent of the bombing's impact," said one student. Another commented, "We gained insight into the struggles faced by Hiroshima's residents after the bombing."

One student questioned, "Why are such weapons needed? Peace should always prevail, and conflicts should be resolved through talks and negotiations alone." Another added, "If nuclear testing is necessary, it should be conducted far from populated areas, such as on water bodies."

Professor Haridas, a retired theoretical physicist, remarked on the importance of engaging young people in such discussions, stating, "It is crucial to address nuclear energy issues in the context of the Hiroshima and Nagasaki bombings."

Goods autos, pushcart vendors occupy roads in Hebbal

Mysuru, Aug. 11 (SBD&KS)- Roadside vendors conducting business by parking their push-carts and goods autos on the road are causing severe inconvenience to the public, especially motorists on the stretch of road from Surya Bakery Circle till Vishwamanava Kuvempu Circle in Hebbal here.

According to local residents, recently a man was killed and two others sustained serious injuries near Surya Bakery in Hebbal, in an accident involving a Maruti Van and two motorbikes, all due to the encroachment of road by goods autos and pushcart vendors.

Though such 'on the road' business is going on since a few months, which is hampering smooth flow of traffic, the Police seem to have turned a blind eye towards it, residents said.

The stretch of road from Surya Bakery Circle till Vishwamanava Kuvempu Circle has turned into a market, where pushcarts and a few goods autos are parked on the road, with vendors selling fruits and vegetables resulting in traffic jams. Also, customers park their vehicles near the pushcarts adding to traffic jam, reducing the road to a narrow stretch proving a hurdle to smooth flow of traffic.

Apart from traffic jams, frequent accidents are reported on this stretch of the road and three to four fatal accidents have already occurred and many have been left injured.

The vendors encroaching a part of road with their push carts near Hebbal Surya bakery circle in Mysuru.

'It was footpath encroachments earlier, now roads are being encroached'

Former Corporator K.V. Sridhar said "Earlier, we used to urge MCC officials to clear encroachments on footpaths, now we have to urge to clear encroachments on road. No one is bothered about the problems from Surya Bakery Circle Junction till Vishwamanava Kuvempu Circle. There are over 300 pushcarts and goods autos conducting business on this stretch of the road since two years. Though representations were made to the MCC and the Police, no action has been taken till date."

Pointing out that this stretch was widened from 50 feet to 70 feet for smooth flow of traffic when he was a Corporator; Sridhar regretted that the widening had gone for a waste.

He said that the vendors occupy a major portion of the road leaving just 20 feet for vehicular movement resulting in frequent accidents sometimes fatal ones. "No Parking boards were installed in Surya Bakery Circle which have vanished now. As vehicles are parked on all four sides, heavy movement of traffic is witnessed on this stretch of the road," he said.

Sridhar has urged the authorities concerned to restrict vehicular traffic on this stretch or convert the entire stretch into a market so that innocent lives can be saved.

Bharachukki Utsava:
Waterfalls in full splendour

Chamarajanagar, Aug. 11 (SS&DM)- The Bharachukki Waterfalls, which was illuminated with a hue of colours, presented a splendorous look.

The occasion was *'Chaluva Chamarajanagar Bharachukki Utsava'* hosted by Chamarajanagar District Administration at Bharachukki Waterfalls along Mandya-Chamarajanagar district border in Kollegal taluk of Chamarajanagar district yesterday evening.

The colourful lights added more beauty to the teeming waterfalls with wonderful and serene natural surroundings.

As part of the Utsava inauguration, a musical evening was presented by noted singer Ananya Bhat, Kambada Rangaiah and team, which was enjoyed by the large gathering.

Local folk artistes performed Gorkana Kunita, Kamsale, Dollu Kunita, which enthralled the crowd. Also, a short movie to promote Chamarajanagar tourism was released on the occasion.

The two-day Utsava with illumination will conclude today.

CM inaugurates

Even as the Opposition continues to target him over MUDA and Valmiki Development Corporation scams, Chief Minister Siddaramaiah asserted that his position would become all the more stronger even if the Opposition continues with its demand for his ouster.

He was speaking after inaugurating the Bharachukki Utsava. Maintaining that Opposition BJP-JD(S) combine will continue to make sustained efforts for his ouster over alleged MUDA and Valmiki Corporation scams, Siddaramaiah said, however, he would not be deterred by any means and his position will become all the more stronger.

Pointing out that he would continue with his pro-poor and pro-people policies with more will and determination even as the Opposition continues to target him, the CM said, he would frame more programmes for the welfare of poor.

"Breaking the jinx that a CM will lose power if he visits Chamarajanagar, I have visited Chamarajanagar as CM more than 10 times. Let the BJP and the JD(S) make efforts for shaking my CM seat, it will only become stronger. I will also keep giving more programmes for the poor and the oppressed. After I became the CM, the Opposition launched a campaign that there was no rains due to my *'Kalguna.'* But that belief has also been proved wrong with the State receiving above normal rainfall this year," he said.

He would extend all necessary support for development of tourism in Chamarajanagar, including water sports at Suvarnamukhi Reservoir, Gaganachukki Ropeway, development of B.R. Hills and others, he added.

Ministers H.K. Patil, K. Venkatesh and Shivaraj Tangadagi, MLAs M.R. Manjunath, Puttarangashetty and H.M. Ganesh Prasad, MP Sunil Bose, MLC Dr. D. Thimmaiah, Additional DC Geetha Huded, Zilla Panchayat (ZP) CEO Mona Roth and SP B.T. Kavitha were present.

CM Siddaramaiah beating the drum to inaugurate the 'Chaluva Chamarajanagar Bharachukki Utsava' at Bharachukki Waterfalls in Kollegal taluk of Chamarajanagar yesterday as Tourism Minister H.K. Patil, Chamarajanagar District Minister K. Venkatesh, Chamarajanagar DC Shilpa Nag, Command Area Development Authority (CADA) Chairman P. Mariswamy, Kannada & Culture Minister Shivaraj Tangadagi and MLAs H.M. Ganesh Prasad & M.R. Manjunath look on.

Dance of Democracy in Rajya Sabha

Jaya Ho Jagdeep Dhankhar

Friday 9th August, 2024, trouble broke out in the Rajya Sabha when the Congress MPs demanded an apology from BJP member Ghanshyam Tiwari for a comment he had made on Mallikarjun Kharge last week.

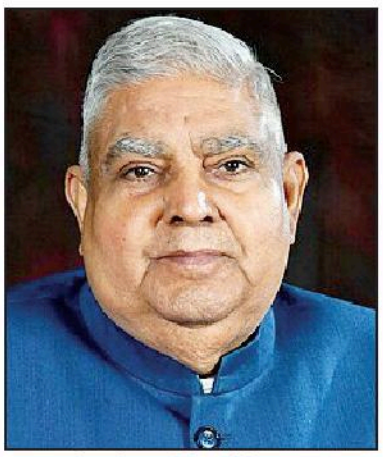
Chairman of the Rajya Sabha (and Vice-President of India) Jagdeep Dhankhar did not agree with the Congress MPs demand. He said the matter had been resolved in his chamber, hence the demand was not tenable.

In fact, Dhankhar said, Tiwari had praised the Opposition Leader Kharge to the position of God quoting a Sanskrit *shloka*. But the Opposition MPs insisted that either Tiwari be asked to repeat his words or Kharge be allowed to speak on the issue. The Opposition benchers protested when the Chair did not yield to this demand. At this point, according to press reports on Saturday morning, DMK's Tiruchi Siva said, the **tone** of the statement makes all the difference. Probably the word 'tone' was used first here by DMK's MP.

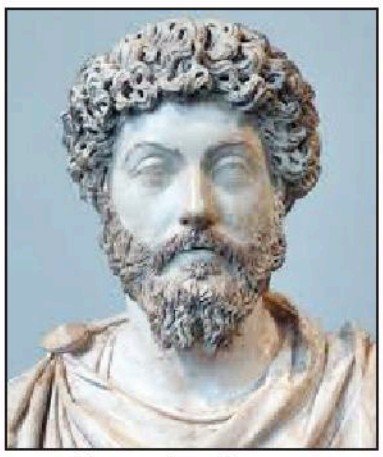
It was then Jaya Bachchan, MP of Samajwadi Party (SP), expressed her desire to speak on the issue and Dhankhar called her by her full registered name, Jaya Amitabh Bachchan. And she spoke. As per Saturday's newspaper, she said: *"I am an actor. I understand body language and expression. Please forgive me but your **tone** is unacceptable. We are colleagues sir, you may be sitting on the Chair."*

This was the trigger. This apparently annoyed Dhankhar. He shot back: *"Enough of it. Jayaji, you've earned a great reputation. You know, an actor is subject to the director. You've not seen what I see from here... I don't want schooling. I am a person who has gone out of the way and you say my tone..."*

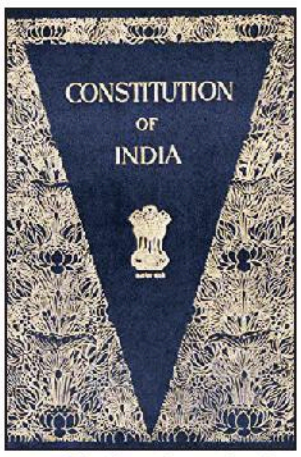
At this point, an Opposition Member objected but Dhankhar went on: "*You may be anybody, you may be a celebrity, (but) you have to understand the decorum. Nothing doing.*"



Jagdeep Dhankhar



Marcus Aurelius



Copy of Indian Constitution

> "All the four pillars of our Democracy — Legislature, Executive, Judiciary and the Press — should work together like feet, hands, eyes and two rows of teeth (Upper House and Lower House!). Not to work together and behave like what the Opposition did in the Parliament last Friday is not good for our country. It may not augur well for our Democracy either.

Even as Dhankhar said this to Jaya Bachchan, an infuriated Opposition began to shout slogans. As this verbal skirmish continued between the Chairman and the Opposition MPs, one TMC's MP reminded Chair about Jaya Bachchan being an MP and not a 'celebrity' in the House as described by the Chair. The Chair, Dhankhar, shot back in his own style, with cool measured words: *"A senior Member of the Parliament has no licence to run down the reputation of the Chair, to question tone and tenor."*

While reading this report in *The Times of India,* that gave a comprehensive report with quotes and later seeing the renowned dancer **Sonal Mansingh,** former Rajya Sabha member, speak to *Times Now* TV channel, I was reminded of the **'Meditations' of Marcus Aurelius.** This Roman Emperor and Philosopher, was a classic example of a Philosopher-King, like our own Krishnaraja Wadiyar IV of a 600-year-old Wadiyar dynasty of Mysore. The book *'Meditations'* is a manual of piety filled with wisdom, practical guidance and profound understanding of human behaviour.

Reading the verbal slanging-match between that learned, experienced, patriarchal advocate-politician, nay Statesman, Jagdeep Dhankhar and Jaya Amitabh Bachchan, I felt sorry for the noble Chairman Jagdeep Dhankhar and disappointed at the conduct of Jaya Amitabh Bachchan. Worse, Jaya Amitabh Bachchan had the gumption and audacity to demand an apology from the Chairman Jagdeep Dhankhar.

True, unquestionably she is a great actor, has given a number of sterling performances in the films, but that does not entitle her to be so presumptuous to take on the Chairman on an issue that was trivial and already resolved. No wonder a person of the stature of **Sonal Mansingh,** a former Rajya Sabha member, danseuse par-excellence and a greater artiste than some who are now members of Rajya Sabha, spoke the way she did to *Times Now TV.* The bottomline of her narrative, disapproving of Jaya Amitabh Bachchan's conduct in the Rajya Sabha, was quite eloquent. Sonal Mansingh said: *"This is the 5th time Jaya Bachchan is in Rajya Sabha and she should know the rules, regulations and **decorum,** to be observed."*

It is important for we Indians, who wish to live in peace unlike what we see in our neighbouring two countries, to leave behind our caste, creed, religion, **political identity and reflect deeply** on what the Chairman Jagdeep Dhankhar said when the Opposition MPs staged a walk out:

"I know you are wanting to destabilise the entire nation. You are out to create chaos in the House."

He told Mallikarjun Kharge, Leader of the Opposition in the Rajya Sabha:

"You are determined to have your way at the cost of the Constitution. It is lack of decorum, disrespect to Democracy, disrespect to Constitution."

This rebuke should not surprise **intelligent Indians** who have seen the way both Democracy and Constitution were treated by Congress in the past and the mindset does not seem to have changed. Yes, they do but only during the election season when the Congress leaders speak of saving Democracy and protecting the Constitution.

If blatantly disrupting the Rajya Sabha session and staging a walk-out for trivial reasons is not disrespecting both Democracy and the Constitution, what is? Perish the thought, but those who want peace and harmony in the country should learn from the conduct of these Opposition members and be warned. Remember, forewarned is forearmed.

I guess there could be no propitious moment for those of us who have seen our Democracy and the Constitution since Nehru's days and for those in the Opposition to learn from the wisdom of Roman Emperor, Marcus Aurelius, than this:

*When you wake up in the morning, tell yourself: The people I deal with today will be meddling, ungrateful, arrogant, dishonest, jealous and surly. **They are like this because they can't tell good from evil.** ...We were born to work together like feet, hands and eyes, like the two rows of teeth, upper and lower. To obstruct each other is unnatural. To feel anger at someone, to turn your back on him: these are obstructions.*

In a similar spirit All the four pillars of our Democracy — Legislature, Executive, Judiciary and the Press — should work together like feet, hands, eyes and two rows of teeth (Upper House and Lower House!). Not to work together and behave like what the Opposition did in the Parliament last Friday is not good for our country. It may not augur well for our Democracy either.

Let us stop allowing our minds to be a slave to evil forces of infidelity and treachery within or without our country. Dr. B.R. Ambedkar has cautioned us: If India loses, who wins? Our Vice-President in a rare insight into our Constitution said: **"Lifeline to our life is our Constitution."** Let us respect our Constitution by conducting ourselves as per the Constitution while we were members of those Constitutional Institutions. Rajya Sabha is one such Constitutional Institution.

Deputy Conservator of Forests (DCF) - Mysuru Wildlife Division, I.B. Prabhu Gowda, told *Star of Mysore* this morning that a total of 22 elephants were inspected at various camps, out of which 18 were selected.

The DCF added that 14 elephants will participate in the Dasara festivities, with four kept in reserve as standbys in case of emergencies.

The first batch of nine elephants will have significant roles during the 10-day *Nada Habba*. These include the Howdah Elephant, standby Howdah Elephant, Kumki Elephants and Pattada Elephants.

Subsequently, a second batch of five Dasara elephants will arrive in Mysuru. These elephants will have lesser responsibilities and will only participate in the *Jumboo Savari*, the grand finale of the Dasara festivities.

DCF Prabhu Gowda stated that the list of 18 elephants has been sent to the State Government for approval. He added that a High Power Dasara Committee meeting will be held tomorrow in Bengaluru, where Chief Minister Siddaramaiah will officially release the list of Dasara elephants and the *Gajapayana* invitation.

He also mentioned that preparations are underway to invite dignitaries, folk troupes and others for *Gajapayana*.

Forest Minister Eshwar Khandre stated last week in Mysuru that World Elephant Day will be celebrated tomorrow, Aug. 12, featuring an international conference on 'Man-elephant conflicts' at the University of Agricultural Sciences, GKVK in Bengaluru.

The High Power Dasara Committee meeting, chaired by the CM, will also take place tomorrow afternoon to discuss *Gajapayana* and release of the invitation, he added.

Karnataka to send elephants to AP but not Dasara jumbos

Bengaluru, Aug. 11 (KMS & KS)- The Karnataka Government has agreed to send a few elephants to Andhra Pradesh. This decision follows discussions between Andhra Pradesh Deputy CM Pavan Kalyan and Forest Minister Eshwar Khandre in Bengaluru on Thursday.

Speaking to media after the meeting, Eshwar Khandre assured that elephants would be provided without compromising the sentiments of environmentalists and the people of Karnataka. He emphasised that while elephants from Karnataka have been given to other States on previous occasions, the Dasara elephants will not be given to any State under any circumstances.

Khandre noted that Andhra Pradesh also faces challenges with wild elephants. He mentioned that Andhra Pradesh's Deputy Chief Minister Pavan Kalyan and Forest officials visited to discuss Karnataka's measures, such as the installation of railway barricades, operations to capture and train wild elephants, and the training provided to mahouts.

The two States also discussed the possibility of signing a Memorandum of Understanding (MoU) to address issues like conflict mitigation, eco-tourism promotion, anti-poaching efforts, particularly regarding red sanders and forest protection.

The MoU would formalise cooperation between the two States in tackling man-elephant conflict, and Karnataka's Standard Operating Procedures (SOPs) for elephant capture would be extended to Andhra Pradesh.

Speed limits set on Outer Ring Road

(Continued from page 1)

Commuters criticise move

However, frequent commuters on the Ring Road have expressed dissatisfaction with the 60 kmph speed limit for cars. "The Ring Road was designed with additional service roads to divert Highway traffic away from the city centre and provide a quicker alternative route. But a 60-kmph speed limit defeats the very purpose of the Ring Road. This does not mean that we can travel at break-neck speed. But the Police must be reasonable," said one commuter.

"The Police must realise it's 2024 and today's vehicles are far more advanced, quicker and easier to control than before. While I understand the need for safety and driver education, and acknowledge the unfortunate accidents on the Ring Road due to overspeeding, imposing such a low speed limit is simply illogical," he added.

"Before specifying the speed, the Traffic Police should have conducted a survey and sought the opinion of regular travellers. They should make decisions based on logic and reasoning instead of arbitrary decisions. The speed limit for cars must be at least 80 kmph like all the ring roads in other places. The District Road Safety Committee must take a call on this," said another regular commuter.

As per Road Safety Committee directives: ACP Traffic

Mysuru, Aug. 11- The issue of frequent accidents on the Outer Ring Road came up during the last Road Safety Committee meeting where the Deputy Commissioner discussed the issue and suggested enforcing the speed limits for all vehicles, said Assistant Commissioner of Police (Traffic) Parashuramappa.

Speaking to *Star of Mysore* this morning, he said that the speed limits are as per the directions of the Ministry of Road Transport and Highways. Vehicles violating the speed limits are being penalised as they are caught by Artificial Intelligence cameras that have been installed on the Ring Road. Signboards indicating the speed limits have been installed on the Ring Road and even on the Mysuru-Bengaluru Highway.

Steps to rehabilitate manual scavengers: DC

Mysuru, Aug. 11 (BS)- Deputy Commissioner G. Lakshmikanth Reddy has said that the practice of manual scavenging is prohibited and manual scavengers have been rehabilitated. However, the process of issuing title deeds related to sites allotted to such beneficiaries is pending and the officials concerned must identify places to provide due facilities to them.

He was presiding over a meeting of District-level Awareness and Incharge Committee to discuss about prohibition on engaging manual scavengers and their rehabilitation, at his office in Siddarthanagar recently.

The Deputy Commissioner directed Mysuru City Corporation (MCC) to identify two acres of land within a month, to build a Community Hall for Safai Karmacharis belonging to Adi Dravida community at Hebbal Colony.

The Officers were also directed to take steps to issue title deeds to those Safai Karmacharis residing in the Colony at Chilkunda village in Hunsur taluk, for the past 50 years. Besides, the children of manual scavengers, studying from eighth standard to Second PUC should be distributed tabs to facilitate their education, along with bearing their school fee under rehabilitation scheme, to ensure that they continue their education.

The Committee Members demanded that Pourakarmikas falling under the jurisdiction of MCC should be regularly subjected to health check up. The rehabilitated manual scavengers, should be given priority in the recruitment for vacant posts of Pourakarmikas by urban local bodies (ULB).

Joint Director of Social Welfare Department Rangegowda, Project Director of District Urban Development Cell (DUDC) Shubha and others were present.

Meeting over crop relief, Aadhaar seeding

DC Lakshmikanth Reddy also conducted a meeting of Revenue Department officials at his Office in the city. MCC election notification next week: Sangreshi

Sangreshi

Bengaluru, Aug. 11- Ending an year long wait, the State Election Commission will issue notification for the conduct of elections to three City Corporations of the State — Mysuru, Shivamogga and Tumakuru — next week.

Addressing a press meet here recently, State Election Commissioner G.S. Sangreshi said that the Commission would issue poll notification for the three City Corporations of Mysuru, Tumakuru and Shivamogga soon.

Quoting a Supreme Court judgement which said that the election can be held as per the re-drawing (delimitation) of Constituencies and reservation matrix that was in place in the last elections, if the Government failed to do re-drawing and announce reservation matrix afresh, Sangreshi said that the Election Commission is going ahead with the election to the three City Corporations, taking note of this SC ruling.

Referring to Zilla and Taluk Panchayat elections, Sangreshi said that the Government has already issued a notification for delimitation of Constituencies, while the announcement of reservation matrix is still pending.

As such, the Election Commission filed a contempt of Court case against the State Government, which case is scheduled to come up before the Court on Aug. 12.

The Commission will take the next action depending upon the Court order, he said adding that the Commission is fully prepared to hold the ZP and TP elections by the end of December.

Sagreshi further said that the withheld Rs. 2,100 crore grant of the 15th Finance Commission would not be released if the State Government does not hold local bodies elections and submit the poll results to the Centre by Mar.31. The State Election Commission has written a letter to the State Government in this regard, he added.

It may be mentioned here that the election to the 65-ward Mysuru City Corporation (MCC) was last held on Aug.31, 2018, in which none of the three major parties — Congress, BJP and JD(S) — got an absolute majority.

Will continue agitation till CM resigns: Opposition

Over 86,000 people await sites in Mysuru while Siddaramaiah has 14 sites: R. Ashoka

BJP and JD(S) leaders' showcase their unity at the valedictory of the Mysuru Chalo Padayatra at Maharaja's College Grounds in city yesterday.

Mysuru, Aug. 11 (BLU&BCT)- Opposition parties, BJP and JD(S), have vowed to continue their fight against the Congress until Chief Minister Siddaramaiah resigns.

"The BJP will maintain the agitation until the ruling Congress is brought down. We will start the second phase of our campaign and will take up the fight legally. We won't stop until Siddaramaiah steps down," declared Leader of the Opposition R. Ashoka.

Speaking at the concluding ceremony of the *Mysuru Chalo Padayatra* at Maharaja's College Grounds in Mysuru, which demanded Siddaramaiah's resignation, Ashoka highlighted the alleged corruption within the Congress.

He referenced the tragic suicides of T. Chandrasekaran, an officer in the Maharshi Valmiki Corporation, and Police officer Parashuram, who reportedly took their lives under duress from Congress Ministers and MLAs.

"Two honest officers have sacrificed their lives fighting against this corrupt Congress Government. If people don't want other officers to meet the same fate, both CM Siddaramaiah and Dy.CM D.K. Shivakumar must be removed from power."

Ashoka emphasised that the *Padayatra* wasn't just a protest but a 'war cry' against Congress corruption, particularly targeting the Mysuru Urban Development Authority (MUDA) land case.

He accused the Government of being anti-Dalit, claiming, "Over 86,000 people in Mysuru who applied for sites have received nothing. Yet, Siddaramaiah has 14 sites. This is an anti-Dalit Govt. that looted Rs. 39,000 crore belonging to Dalits."

He further detailed the controversial MUDA land case, involving 3.16 acres originally purchased for Re. 1, which Siddaramaiah's brother-in-law later bought for Rs. 5 lakh. "Now, Siddaramaiah is asking for Rs. 62 crore for the same land," he claimed.

Target Shivakumar

BJP National General Secretary and Karnataka in-Charge Radha Mohan Das Agarwal joined in the attack, stating, "While the Chief Minister declares himself honest, the country has seen how he seized land and got involved in a Rs. 4,000 crore scam. This is just the beginning of our agitations. We will hold many more such yatras against the Government."

Agarwal also criticised Congress' *Janandolana* rally, alleging they spent Rs. 25 crore and distributed Rs. 1,000 per person to save their Government.

Targeting Shivakumar, Agarwal questioned the rapid accumulation of his wealth. "In 2008, D.K. Shivakumar declared Rs. 25 crore in assets. By 2014, that number jumped to Rs. 1,400 crore. How did he amass such wealth? His money belongs to the poor, and Shivakumar must answer," he demanded.

1,500 farmers ended life after Cong. got power: Vijayendra

Has any CM got 14 sites for his family in Karnataka history, asks former CM B.S. Yediyurappa

Vijayendra

Mysuru, Aug. 11 (BLU&BCT)- BJP State President B.Y. Vijayendra flayed the Congress Government for failing to announce any new development schemes in the last 15 months and highlighted the grim situation where over 1,500 farmers have committed suicide due to unpaid loans and severe drought conditions.

"Yet, the Siddaramaiah Government is claiming credit for development. The Congress came to power by offering freebies to the people, women and farmers. Even those assurances have not been fulfilled," Vijayendra said at the valedictory of the *Mysuru Chalo Padyatra* at Maharaja's College Grounds.

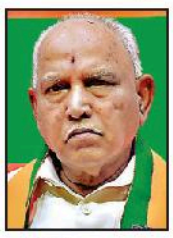
He accused Congress of lacking the will to protect the poor and farmers, contrasting it with the previous BJP Government, which had provided Rs. 5 lakh during a house collapse, while the current Congress Government only promised Rs. 1 lakh and has yet to deliver.

Vijayendra also questioned why the Chief Minister and Deputy Chief Minister were resorting to threatening the Opposition and demanded clarity on the Valmiki Development Corporation and MUDA land scams. He speculated that they might still fear 82-year-old Yediyurappa and pointed out that Siddaramaiah had filed 15 de-notification cases against Yediyurappa based on a CAG report.

"Siddaramaiah must focus on saving his position and should retract his statements about former CM B.S. Yediyurappa's political retirement. Instead of calling for Yediyurappa's retirement from public life, the CM should resign, admitting to the loot of thousands of crores," he added.

Fight until last breath: BSY

Former CM and senior BJP leader B.S. Yediyurappa (BSY) responded to Siddaramaiah's comments about his retirement, declaring that he would fight until his last breath to remain in politics and ensure Siddaramaiah's removal.



Yediyurappa

"Siddaramaiah had asked me to retire from public life. Until my last breath, I will be in politics and ensure your (Siddaramaiah) ouster. Is there any example of a Chief Minister getting 14 sites for his family in the history of the State? He is demanding Rs. 65 crore, claiming that he would return the sites. A CM can't be more shameless," Yediyurappa said.

He asserted that the BJP and JD(S) are moving forward together and that the people would soon send Siddaramaiah home. "I will throw a challenge. Will you dissolve the Government now and face the election? The BJP and JD(S) will emerge victorious in 130 to 140 seats in Karnataka and attain a majority," he declared.

Cafe Coffee Day Founder's death: HDK targets DKS

Mysuru, Aug. 11 (BLU&BCT)- Union Minister for Heavy Industries and Steel, H.D. Kumaraswamy (HDK), called out Deputy CM D.K. Shivakumar (DKS), asking who is responsible for the death of Cafe Coffee Day (CCD) Founder V.G. Siddhartha.

"Shivakumar was given a political life by S.M. Krishna at a time when he was living with Kotwal Ramachandra (a notorious rowdy). He must tell the people who is responsible for Siddhartha's death and present the facts," Kumaraswamy said at the BJP-JD(S) Convention at Maharaja's College Grounds.

V.G. Siddhartha, who was the son-in-law of former Union Minister of External Affairs S.M. Krishna, committed suicide due to financial strain. Shivakumar's daughter is married to Siddhartha's son. "Can anyone forget that Shivakumar was the cause of Siddhartha's suicide?" Kumaraswamy asked.

Kumaraswamy also levelled several accusations of theft and immoral activities against Shivakumar, questioning his moral authority to criticise former PM H.D. Deve Gowda's family.

He claimed that Shivakumar, along with others, used to steal iron covers from sewerage pipes at night to sell them to the scrap industry for money.

Kumaraswamy *Shivakumar*

He further challenged Shivakumar's leadership, noting that despite Shivakumar's claims of securing 136 Assembly seats, the Congress only won 8 out of 28 Lok Sabha seats.

In response to Shivakumar's comment that Kumaraswamy is like a cobra, he retorted, "I am a cobra for those who loot public money."

Reacting to these charges, Shivakumar said in Bengaluru that Kumaraswamy "needs urgent medical treatment for mental instability."

He dismissed Kumaraswamy's remarks about his relationship with S.M. Krishna, suggesting that Kumaraswamy "has gone mad" and urging his party members and well-wishers to get him medical attention.

Book on CM's 14 MUDA sites released by BJP

SEEN FROM LEFT: ***Mysuru-Kodagu MP Yaduveer Krishnadatta Chamaraja Wadiyar, State BJP President B.Y. Vijayendra, Union Minister H.D. Kumaraswamy, former Chief Minister B S. Yediyurappa and Leader of Opposition in Legislative Assembly R. Ashoka releasing the book at the valedictory of 'Mysuru Chalo' Convention at Maharaja's College Grounds in city yesterday.***

Mysuru, Aug. 11 (RK&BS)- A book titled '5,000 Niveshanagalannu Nungi Haakida Aa 14 Niveshanagalu' (how 14 sites swallowed 5,000 sites), was released during the valedictory of 'Mysuru Chalo' Convention, organised by BJP-JD(S) at Maharaja's College Grounds in city yesterday.

Former Chief Minister B.S. Yediyurappa, Union Minister for Heavy Industries and Steel H.D. Kumaraswamy, former CM and Haveri MP Basavaraj Bommai and former CM D.V. Sadananda Gowda released the book, brought out by State BJP OBC Morcha to counter the fact-finding book titled 'Mukhyamantri Siddaramaiah Noorakke Nooru Swachcha Kalankarahita,' released during Congress's *Janandolana* Convention, held at the same venue on Friday.

The book released at *Mysuru Chalo* meet, contains documents related to the land of Chief Minister Siddaramaiah's wife, 14 sites allotted to CM's wife under 50:50 scheme and the large scale irregularities related to allotment of 5,000 sites at MUDA.

Interestingly, according to the endorsement issued by MUDA, the disputed land bearing Survey Number 464 of Kesare, was used for road works and park while developing Devanur Layout third stage.

The then DC who was also the MUDA Chairman had written to the Sub-Registrar to stop the registration of sale deed of sites being allotted under 50:50 scheme for the lands utilised sans providing any compensation, without completing the land acquisition process by MUDA. The show cause notice had been issued by DC to MUDA Commissioner over allotting the sites illegally to land losers in the form of compensation.

A circular had been issued by the DC to MUDA Commissioner over not following the directions of the Government to revoke the decision made in MUDA meeting to grant sites under 50:50 ratio for utilising lands without paying any compensation and without completing the process of land acquisition. All these related documents have been published in the book. On the other hand, Opposition Leader in Legislative Council Chalavadi Narayanaswamy lambasted CM Siddaramaiah, for not safeguarding the interest of dalits.

"Siddaramaiah, who showers love and affection towards dalits at the outset, has been backstabbing them. He claims to have upheld the principles propagated by Dr. B.R. Ambedkar, but the way the funds meant for Scheduled Castes and Scheduled Tribes are being diverted to fund other schemes, is a grave injustice meted out to very communities," said Narayanaswamy.

5,000 illegally allotted MUDA sites must be withdrawn: R. Raghu

R. Raghu

Mysuru, Aug. 11 (MTY&BS)- State BJP OBC Morcha President R. Raghu Kautilya has demanded that, the illegally allotted 5,000 sites of Mysuru Urban Development Authority (MUDA) be withdrawn and Chief Minister Siddaramaiah, who is fostering the illegalities, step down from his office.

Addressing the gathering, after the release of a book titled *5,000 Niveshanagalannu Nungi Haakida Aa 14 Niveshanagalu* (how 14 sites swallowed 5,000 sites) during the valedictory of BJP-JD(S) *Mysuru Chalo* Convention at Maharaja's College Grounds in city yesterday, Raghu said, corrupt Government is in power in the State, which is ignoring the interest of the people.

The resources of the State is being plundered through scams, as the Government lacks any responsibility. It is practicing double standards, pushing people towards distress.

Those without a roof of their own haven't been allotted a single site by the Government in the State. So, the Congress party should be removed from power and 5,000 sites allotted by MUDA flouting all the norms should be taken back.

CM Siddaramaiah who has been guarding such illegalities should also resign. It was with the same motto that *Mysuru Chalo Padayatra,* was taken out from Bengaluru to Mysuru, said Raghu.

Referring to the slogan *Satyameva Jayate* (Truth Alone Triumphs) that was seen on the main dais of Congress's *Janandolana* Convention, held in city on Aug. 9, Raghu mocked it as 'Sullumeva Jayate' (Lie Alone Triumphs). But the convention organised by BJP-JD(S) under the banner of National Democratic Alliance (NDA) echoed noble thoughts like *Dharmameva Jayate, Nyayameva Jayate* and *Janameva Jayate*, voicing for the cause of the poor. Our convention was not organised for the sake of politics and power, but for the welfare of people of the State, oppressed classes, farmers, poor, weaker sections, women, students and the shelterless people, remarked Raghu.

The struggle was launched to save Kannada Nadu and its natural resources and to ensure equal rights to people of the State while CM Siddaramaiah has been guarding his fort of corruption in the name of AHINDA.

Moreover, he lacks any morality to invoke the legacy of champion of backward classes, former CM late D. Devaraj Urs. If Urs coined the concept of social justice, Siddaramaiah is involved in exploitation of the society. In this wake, NDA fight against bringing down Congress Government will continue and the days are not far for Siddaramaiah to step down from his office, said Raghu.

Thief won't be spared even if he returns stolen items: Pralhad Joshi

Pralhad Joshi

Mysuru, Aug. 11 (BLU&BCT)- Union Minister for Consumer Affairs, Food and Public Distribution, Pralhad Joshi launched a scathing attack on CM Siddaramaiah, asserting that a thief won't be spared even if he returns the stolen goods.

"Siddaramaiah claims he will return the 14 sites allotted to his family, but a thief won't be spared just for returning the stolen item. He should be prosecuted and punished according to the law," Joshi said at the concluding ceremony of the *Mysuru Chalo Padayatra* at Maharaja's College Grounds in Mysuru yesterday.

He accused Siddaramaiah of falsely claiming that his political career is free of blemishes, stating, "Your entire career is marred with black spots." Joshi further mocked the Congress's event, calling it 'Dhanandolana' (a money-related movement) instead of 'Janandolana' (a people's movement) where Rs. 25 crore was spent to bring people after paying money.

Congress rally is 'Dhanandolana,' not 'Janandolana'

Joshi alleged that Congress leaders have amassed wealth through corruption and funnelled it to the party's High Command. He flayed Siddaramaiah for playing the victim card by claiming he is targeted because he belongs to a backward class. "He diverted funds reserved for SC and ST. He is a corrupt CM who admitted that the Valmiki Corporation case involved not Rs. 187 crore but Rs. 89 crore," Joshi said.

He further charged that corruption is ingrained in Congress's DNA and accused the party of consistently insulting SC, ST and OBC communities.
